

Love and connection
always clear
though our loved one

Theo

is no longer here.
Grief and sorrow
but in memories joy
only our open mind
can now deploy.

Live in the present
savor today
for the future's
not ours to say.

Rejoice in the time
we had together!
Be glad I'm the one
who is left,
not the other.

Hope and purpose
can soften pain
Till through God's grace
we're united again.
